FIORE EDUCATION LAW

ATTORNEY-PREPARED. PARENT-LED.

Due Process Complaint Preparation

Lead your child's advocacy with a complaint prepared by a special education attorney.

> A due process complaint asks an impartial hearing officer to resolve a disagreement with your school district about your child's special education. It sets out the issues you want resolved and the changes you are requesting.

I review your child's records, prepare the complaint, and walk you through it. You decide whether to file and remain in control of your child's case.

WHAT YOU GET

1. **Your complaint**, prepared for you to review, sign, and file.
2. **A private guide** explaining the issues raised and the records that support them.
3. **Filing instructions and a 30-day action plan**, including preparation for the resolution meeting.
4. **A 50-minute video review with me**, followed by agreed-upon revisions and your final package.

Your first draft is ready within **seven business days of your confirmed start date**.
